

# Join Debra's Run to 40 and be part of a team with Emma Fogarty and Colin Farrell to support everyone impacted by EB in Ireland.

Epidermolysis Bullosa (EB) is an extremely painful and incurable condition that causes skin to blister and tear at the slightest touch, like a butterfly's wing.

You can join **Run to 40** by walking, running, or rolling 40 km in your own time, in your own way and fundraise for Debra.

For more information or to register today, visit [debra.ie/runto40/](https://debra.ie/runto40/) or scan the QR code.
